## Pitch

Keflings may be small, but their kingdom-building adventures are gigantic! Build a world with your friends in A World of Keflings! Harvest resources, construct robots, befriend a dragon, and help a creepy witch get even creepier in this update of the classic 2010 city-building adventure.

## Description

Keflings may be small, but their kingdom-building adventures are gigantic!

Journey to faraway lands and help your tiny Kefling friends along the way. Harvest resources to create and customize beautiful cities filled with fountains, workshops, castles and more.

Complete quests! Compose music! Build a robot, rescue the princess, make friends with a dragon, and help a creepy witch get even creepier in this exciting, friendly, city-building adventure!

Invite your friends! A World of Keflings features online co-op for up to 8 players.

Originally released for consoles in 2010, A World of Keflings has been updated for modern machines while maintaining the same classic gameplay experience. We're proud to bring this giant-sized adventure to your PC!
